REVISION STRATEGY TO TRY THIS WEEK

JIGSAW

Especially useful for:

- Diagrams or pictures
 - a) Photocopy a key diagram and then cut it into pieces, so each part of the diagram is on a separate piece.
 - b) Put it back together or give it to a study partner to reassemble.
 - c) N.B. you can make a variation of this jigsaw by copying different parts of a diagram onto different cards and then use these as the jigsaw pieces.

Why does it work?

- Because you are deconstructing it thoughtfully, by cutting it into pieces, then testing your memory by reconstructing it.

Premier's Reading Challenge

All students involved in the Premier's Reading Challenge are reminded that you are heading into your last few weeks of reading.

The Challenge closes on Friday 21 August so make sure you are recording your books.

Good Luck with your reading.
