The Tournament at Gorlan / John Flanagan. (2015)

The Ranger's Apprentice origin story fans have been waiting for.

Before they became the most famous Ranger in the land and the hard-working Ranger Commandant, Halt and Crowley were young friends determined to change the world.

The scheming Baron Morgarath is drawing other power-hungry knights and barons to his banner. King Oswald is wasting away and, if gossip can be believed, Prince Duncan is causing havoc in the north.

Halt and Crowley set out to find the prince, uncover the truth, and re-form the weakened Ranger Corps. Once-loyal Rangers are scattered across the country, and it will take determination, skill, and leadership if they're to come together as one. Can the Rangers regain the trust of the Kingdom, or will the cunning Morgarath outwit them at every turn?

REVISION STRATEGY TO TRY THIS WEEK

COLLECT YOUR THINKING

This table records different types of understanding of topics you are revising.

My understanding of <u>the holocaust</u> :	Summary of my thinking:
<p><u>I'M STILL CURIOUS ABOUT...</u></p>  <p>[these are the things you still don't know and may need to check]</p>	<p>Why did the Nazis hate the Jews? Why didn't anyone stop the Nazis?</p>
<p><u>I KNOW THAT...</u></p>  <p>[a list of everything you can remember about the topic]</p>	<p>6 million Jews were killed in the Nazis I know that the Holocaust was the Nazis killing the Jews and other people they didn't like, such as gypsies I know that some people were gassed, some shot and some froze in the winter I know that people believed they were having a shower but they were being gassed I know that they wore uniforms in the camps</p>
<p><u>THE BIGGER PICTURE IS...</u></p>  <p>[how does this topic fit into bigger topics you've studied, for example, how does x poem link to any other poems you've studied in English]</p>	<p>The holocaust is one part of the bigger story of WW2, between Germany and Britain/America/Russia The holocaust is a part of the bigger story of the Jews in history, including Israel today</p>
<p><u>AN ABSTRACT PERSPECTIVE IS...</u></p>  <p>[this is where you can create your own metaphors and analogies. They don't have to make sense to anyone else; they are simply tools to help YOU remember]</p>	<p>Hitler was like a fussy child eating crisps. He would eat all the good ones (the Germans) but throw away all the green and black 'bad' crisps (the Jews).</p>
